(3) It abbreviates the word "retired" or places it following any word or words which it modifies.

(1) The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date he or she receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a).

(2) In the event the candidate fails to provide a designation that complies with subdivision (a) within the three-day period specified in paragraph (1), no designation shall appear after the candidate's name.

(d) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e). The elections official shall maintain a copy of the ballot designation worksheet for each candidate that appears on the ballot in the county for the same period of time as applied to nomination documents pursuant to Section 17100.

(e) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

For your reference, Elections Code section 13107.5 is reproduced below:

13107.5. (b) The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section.

Elections Code 13307:

13307. (a) (1) Each candidate for nonpartisan elective office in any local agency, including any city, county, city and county, or district, may prepare a candidate's statement on an appropriate form provided by the elections official. The statement may include the name, age and occupation of the candidate and a brief description, of no more than 200 words, of the candidate's education and qualifications expressed by the candidate himself or herself. However, the governing body of the local agency may authorize an increase in the limitations on words for the statement from 200 to 400 words. The statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations.

(2) The statement authorized by this subdivision shall be filed in the office of the elections official when the candidate's nomination papers are returned for filing, if it is for a primary election, or for an election for offices for which there is no primary. The statement shall be filed in the office of the elections official no later than the 88th day before the election, if it is for an election for which nomination papers are not required to be filed. If a runoff election or general election occurs within 88 days of the primary or first election, the statement shall be filed with the elections official by the third day following the governing body's declaration of the results from the primary or first election.

(3) Except as provided in Section 13309, the statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5 p.m. of the next working day after the close of the nomination period.

(b) The elections official shall send to each voter, together with the sample ballot, a voter's pamphlet which contains the written statements of each candidate that is prepared pursuant to this section. The statement of each candidate shall be printed in type of uniform size and darkness, and with uniform spacing. The elections official shall provide a Spanish translation to those candidates who wish to have one, and shall select a person to provide that translation from the list of approved Spanish language translators and interpreters of the superior court of the county or from an institution accredited by the Western Association of Schools and Colleges.

(c) The local agency may estimate the total cost of printing, handling, translating, and mailing the candidate's statements filed pursuant to this section, including costs incurred as a result of complying with the federal Voting Rights Act of 1965, as amended. The local agency may require each candidate filing a statement to pay in advance to the local agency his or her estimated pro rata share as a condition of having his or her statement included in the voter's pamphlet. In the event the estimated payment is required, the receipt for the payment shall include a written notice that the estimate is just an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements. Accordingly, the elections official is not bound by the estimate and may, on a pro rata basis, bill the candidate for additional actual expense or refund any excess paid depending on the final actual cost. In the event of underpayment, the elections official may require the candidate to pay the balance of the cost incurred. In the event of overpayment, the elections official shall prorate the excess amount among the candidates and refund the excess amount paid within 30 days of the election.

(d) Nothing in this section shall be deemed to make any statement or the authors thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous, or libelous statements offered for printing or contained in the voter's pamphlet.

(e) Before the nominating period opens, the local agency for that election shall determine whether a charge shall be levied against that candidate for the candidate's statement sent to each voter. This decision shall not be revoked or modified after the seventh day prior to the opening of the nominating period. A written statement of the regulations with respect to charges for handling, packaging, and mailing shall be provided to each candidate or his or her representative at the time he or she picks up the nomination papers.

(f) For purposes of this section and Section 13310, the board of supervisors shall be deemed the governing body of judicial elections.

An anonymous contribution of one hundred dollars (\$100) or more shall not be kept by the intended recipient but instead shall be promptly paid to the Secretary of State for deposit in the General Fund of the state.

34305. (a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type which shall be in a color or print which contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.

(b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.

(c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision (a).

34305.5. (a) No slate mailer organization or committee primarily formed to support or oppose one or more ballot measures shall send a slate mailer unless:

(1) The name, street address, and city of the slate mailer organization or committee primarily formed to support or oppose one or more ballot measures are shown on the outside of each piece of slate mail and on every insert included with each piece of slate mail in no less than 8-point roman type which shall be in a color or print which contrasts with the background so as to be easily legible.

A post office box may be stated in lieu of a street address if the street address of the slate mailer organization or the committee primarily formed to support or oppose one or more ballot measure is a matter of public record with the Secretary of State's Political Reform Division.

(2) At the top of each side or surface of a slate mailer or at the top of each side or surface of a postcard or other self-mailer, there is a notice in at least 8-point roman boldface type, which shall be in a color or print which contrasts with the background so as to be easily legible, and in a printed or drawn box and set apart from any other printed matter. The notice shall consist of the following statement:

NOTICE TO VOTERS

THIS DOCUMENT WAS PREPARED BY (name of slate mailer organization or committee primarily formed to support or oppose one or more ballot measures), NOT AN OFFICIAL

POLITICAL PARTY ORGANIZATION. All candidates and ballot measures designated by \$\$\$ have paid for their listing in this mailer. A listing in this mailer does not necessarily imply endorsement of other candidates or measures listed in this mailer.

(3) Any reference to a ballot measure that has paid to be included on the slate mailer shall also comply with the provisions of Section 84503 et seq.

(4) Each candidate and each ballot measure that has paid to appear in the slate mailer is designated by \$\$\$\$. Any candidate or ballot measure that has not paid to appear in the slate mailer is not designated by \$\$\$\$. The \$\$\$ required by this subdivision shall be of the same type size, type style, color or contrast, and legibility as is used for the name of the candidate or the ballot measure name or number and position advocated to which the \$\$\$ designation applies except that in no case shall the \$\$\$ be required to be larger than 10-point boldface type. The designation shall immediately follow the name of the candidate, or the name or number and position advocated on the ballot measure where the designation appears in the slate of candidates and measures. If there is no slate listing, the designation shall appear at least once in at least 8-point boldface type, immediately following the name of the candidate, or the name or number and position advocated on the ballot measure.

(5) The name of any candidate appearing in the slate mailer who is a member of a political party differing from the political party which the mailer appears by representation or indicia to represent is accompanied, immediately below the name, by the party designation of the candidate, in no less than 8-point roman type which shall be in a color or print that contrasts with the background so as to be easily legible. The designation shall not be required in the case of candidates for nonpartisan office.

(b) For purposes of the designations required by paragraph (4) of subdivision (a), the payment of any sum made reportable by subdivision (c) of Section 84219 by or at the behest of a candidate or committee, whose name or position appears in the mailer, to the slate mailer organization or committee primarily formed to support or oppose one or more ballot measures, shall constitute a payment to appear, requiring the \$\$\$ designation. The payment shall also be deemed to constitute authorization to appear in the mailer.

(c) A slate mailer that complies with this section shall be deemed to satisfy the requirements of Sections 20003 and 20004 of the Elections Code.

84305.6. In addition to the requirements of Section 84305.5, a slate mailer organization or committee primarily formed to support or oppose one or more ballot measures may not send a slate mailer unless any recommendation in the slate mailer to support or oppose a ballot measure or to support a candidate that is different from the official recommendation to support or oppose by the political party that the mailer appears by representation or indicia to represent is accompanied, immediately below the ballot measure or candidate recommendation in the slate mailer, in no less than nine-point roman boldface type in a color or print that contrasts with the background so as to be easily legible, the following notice:

These filings must be made by fax, guaranteed overnight delivery, personal delivery or online (if online filing is available).

Who Files

Persons (including an officeholder or candidate), organizations, groups, or other entities that raise contributions from others totaling \$2,000 or more in a calendar year to spend on California elections qualify as a recipient committee. They must register with the Secretary of State and report all receipts and expenditures. "Contributions" include monetary payments, loans and non-monetary goods and services received or made for a political purpose.

A nonprofit organization, federal or out-of-state PAC, or other multipurpose organization that makes contributions or expenditures in California elections may also be required to register as a recipient committee with the Secretary of State. See Supplemental Form 410 Instructions.

Candidates: The personal funds of a candidate or officeholder used to seek or hold elective office are contributions and count toward qualifying as a recipient committee. However, personal funds used to pay a candidate filing fee or a fee for the statement of qualifications to appear in the ballot pamphlet do not count toward the \$2,000 threshold.

This form was prepared by the Fair Political Practices Commission (FPPC). For detailed information on campaign reporting requirements and the Information Practices Act of 1977, see the FPPC Campaign Disclosure Manual for your type of committee.

If any of the information reported on an initial statement of organization changes:

- Mark the amendment box;
- Include the committee's ID number and name;
- Provide the changed information; and
- Complete the verification.

Candidates: Under certain circumstances, a candidate for local office may amend the Form 410 to indicate that he or she is seeking another term of the same office (re-election). A candidate for state office must open a separate committee for each term of office and may not amend the Form 410 to redesignate an election committee.

Termination

List the committee's identification number and indicate the date of termination.

1. Committee Information:

Provide the full name of the committee. A committee may use only one name.

The committee's street address, e-mail address, and telephone number must be reported. A post office box is not acceptable. The committee's mailing address must also be reported if it is different from the committee's street address. A post office box is acceptable for the mailing address. A committee's "domicile" is its address as listed on the Form 410. Los Angeles is the county of domicile for committees located outside California.

Identify the jurisdiction where the committee is active. For example a city committee lists the name of the city.

Committee Name Requirements

The following committee name rules apply to the Form 410, the committee's campaign statements and to any other references to the committee required by law. See the instructions for Part 4 for committee definitions.

Candidate Controlled Committees (including ballot measure committees): Any committee that is controlled by a state or local candidate or officeholder must include the last name of the candidate in the name of the committee. In addition, the following rules apply:

- A **ballot measure committee** controlled by one or more state candidates must also state that it is a ballot measure committee (e.g., Senator Lee's Ballot Measure Committee). See additional requirements for primarily formed committees.

Sponsored Committees: A sponsored committee (including most political action committees) must include the full name of its sponsor in the name of the committee. If the committee has more than one sponsor and the sponsors are members of an industry or other identifiable group, include a term identifying that industry or group.

Primarily Formed Committees

- The name of any state or local candidate that contributes \$50,000 or more.

Prior to the designation of the ballot measure number, a primarily formed ballot measure committee controlled by a state candidate must also state that it is a ballot measure committee (e.g., Senator Gomez's Ballot Measure Committee).

Recalls: Each committee established for a recall election must include the name of the officeholder subject to the recall. If the committee is not controlled by the officeholder, the committee must state its support or opposition (e.g., Committee Opposing the Recall of Council Member Doe).

2. Treasurer and Other Principal Officers:

A committee may have only one treasurer and one assistant treasurer. A candidate may be his or her own treasurer or assistant treasurer. A committee may not accept a contribution or make an expenditure without a treasurer.

A committee that is not controlled by a candidate or officeholder must disclose the name, street address, and telephone number of the committee's principal officer(s). The principal officer(s) of a committee are the individual(s) primarily responsible for approving the political activity of the committee, including authorizing the content of committee communications, authorizing the committee's contributions and other expenditures, and determining the committee's campaign strategy. If more than three individuals qualify as principal officers of the committee, identify no fewer than three. If no individual other than the committee treasurer qualifies as a principal officer, identify that individual as both the treasurer and the principal officer. An attachment may be necessary.

3. Verification/Original Ink Signature(s):

The Form 410 filed with the Secretary of State must contain original signature(s). The committee treasurer or assistant treasurer must sign the Form 410. Also, each controlling officeholder, candidate or state ballot measure proponent must sign the Form 410. If more than three control the committee, one of them may sign on behalf of all controlling individuals. If a candidate will serve as his or her own treasurer, he or she must sign as the candidate and again as the treasurer.

Bank Account Information

- List the name and address of the financial institution where the campaign bank account is located and the bank account number.

If a campaign bank account is not open at the time of filing an initial Form 410, amend the Form 410 within 10 days of opening the bank account.

4. Type of Committee:

Controlled Committee

A "controlled committee" is one which is controlled directly or indirectly by an officeholder, candidate, or state measure proponent, or which acts jointly with an officeholder, candidate, state measure proponent, or another controlled committee in connection with making expenditures.

A committee is controlled if the officeholder, candidate, or proponent, his/her agent, or any other committee he/she controls, has a significant influence on the actions or decisions of the committee.

"Proponents" of state measures are persons who request the Attorney General to prepare a title and summary of a state initiative, referendum, or measure.

Candidate Election Committee: Identify the candidate's name, office, election year and party, if applicable.

Ballot Measure Committee Controlled by State

Candidate: Identify each measure on which the committee has spent or anticipates spending \$50,000 or more in the current two-year period, beginning with January 1 of an odd-numbered year. If the ballot designation has not been assigned, describe the purpose of the anticipated measure(s). Amend the Form 410 when a ballot designation is assigned. Provide this information in the primarily formed or general purpose section or on an attachment.

Legal Defense Committee: On an attachment, describe the specific legal dispute(s) for which the legal defense fund was established. The Form 410 must be amended within 10 days when legal disputes are either resolved or new disputes are initiated.

Primarily Formed Committee

A committee is "primarily formed" when it makes or initially plans to make more than 70% of its contributions and expenditures to support or oppose a specific candidate or measure, or a group of measures or specific local candidates all being voted upon in the same election on the same date. (FPPC Regulation 18247.5)

New committees: A new committee formed within six months of a statewide regular election or within 30 days of a state special election is presumed to be primarily formed if the committee makes at least \$25,000 in independent expenditures to support or oppose a state candidate or measure. Monthly review is required for other new committees that spend at least \$1,000 a month and were formed within six months of an election in connection with which the committee makes contributions or expenditures.

Quarterly review at the end of March, June, September and December is required for other committees.

A committee controlled by a candidate for his or her own candidacy is not a primarily formed committee.

State ballot measures - qualification ID number: Certain committees must list in Section 4, Primarily Formed Committee, the Attorney General's Office assigned identification number to a proposed state ballot measure:

- A committee submitting the title and summary;
- A committee primarily formed for the measure; or
- A committee that spends \$100,000 or more on petition circulation for the measure.

Recall Committees: A committee supporting or opposing a recall must list "Recall [Officeholder's Name]," the office held by the recall target officeholder, and mark the appropriate box to indicate whether the committee supports or opposes the recall of the officeholder.

CALIFORNIA 410 FORM

General Purpose Committee

A committee is a "general purpose committee" if its principal activity is supporting or opposing a variety of candidates or measures voted on in different elections. (FPPC Regulation 18227.5)

- A **state committee** makes contributions or expenditures to support or oppose candidates or measures voted on in state elections, or in more than one county; it does not make over 70% of its contributions or expenditures in a single local jurisdiction. State contributions include contributions to other state general purpose committees. All political party committees (including county central committees) are state committees.
- A **county committee** makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single county, or in more than one jurisdiction within one county. This includes contributions to other general purpose committees in the same county.

- A **city committee** makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single city, or in one consolidated city and county. This includes contributions to other city general purpose committees in the same city.

A city or county committee may make up to four contributions in a calendar year to candidates for elective state office whose districts are within the same jurisdiction and is not required to change its status to a state committee.

A committee that has made contributions or expenditures of \$5,000 or more during a quarter must review its activity at the end of March, June, September and December to determine if the committee is filing reports in the appropriate jurisdiction. During the first six months, a new committee must check its jurisdictional status each

month the committee makes expenditures of \$1,000 or more. If a change of filing locations occurs, reports must be filed in both the new and old jurisdiction through the calendar year.

After marking the appropriate state, county or city box, provide a brief description of the committee's political activities such as whether it supports candidates or measures that share a common political affiliation.

Sponsored Committee

A "sponsored committee" is a general purpose or primarily formed committee, other than an officeholder or candidate controlled committee, that has one or more sponsors.

An organization, business, or other entity is a sponsor if one or more of the following apply:

- The committee receives 80% or more of its contributions from the entity or organization or its members, officers, employees, or shareholders.
- The entity or organization collects contributions for the committee by use of payroll deductions or dues from its members, officers or employees.
- The entity or organization, alone or in combination with other entities or organizations, provides all or nearly all of the administrative services for the committee.
- The entity or organization, alone or in combination with other entities or organizations, sets the policies for contribution solicitations or payment of expenditures from committee funds.

See the instructions for Part 1 for a sponsored committee's name requirements.

Small Contributor Committee

A "small contributor committee" is one that has been in existence for more than six months; receives contributions from 100 or more persons; makes

contributions to five or more candidates; and has not received more than \$200 from one person in a calendar year.

5. Termination Requirements

Recipient committees may only terminate when:

- They have ceased to receive contributions and make expenditures; and
- They do not anticipate receiving contributions, repayments of outstanding loans made to others, or any other receipts in the future, and they do not anticipate making expenditures in the future; and
- They have eliminated or have no intention or ability to discharge all their debts, loans received, and other obligations; and
- They have no funds; and
- They have filed all required campaign statements disclosing all reportable transactions, including disposition of funds.

State Candidates: There are mandatory termination deadlines applicable to your committees.

How to Terminate

State Committees: Complete page one of the Form 410 and mark the termination box. Send the Form and last Form 450 or 460 (mark the termination box) to the Secretary of State.

Local Committees: Complete page one of the Form 410, mark the termination box and send the Form to the Secretary of State. Send a copy of the Form 410 and last Form 450 or 460 (mark the termination box) to your city or county filing officer.

Officeholder and Candidate Campaign Statement — Short Form - AND - Form 470 Supplement

CALIFORNIA
FORM
470

Who Uses Form 470:

Form 470 is for use by officeholders and candidates who:

- do not have a controlled committee;
- do not anticipate receiving contributions totaling \$2,000 or more during the calendar year; and
- do not anticipate spending \$2,000 or more during the calendar year.

Officeholders and candidates who have a controlled committee or who have raised or spent \$2,000, file the Recipient Committee Statement — Form 460.

Exceptions:

The following individuals seeking or holding office are not required to file campaign disclosure statements (Form 470 or Form 460):

- candidates for county central committee offices that do not raise or spend \$2,000 or more in a calendar year;
- officeholders whose salaries are less than \$200 per month and judicial candidates who have not made or received contributions or made expenditures during non-election years; and
- judges who do not receive contributions and who make personal expenditures of less than \$1,000 or more in non-election years.

Period Covered:

The period covered is always the calendar year (January 1 through December 31).

\$2,000 Threshold:

To determine if \$2,000 has been raised or spent, or will be raised or spent, the candidate's personal funds for the filing fee or statement of qualifications are excluded.

A campaign bank account must be established if the candidate receives contributions from other persons.

When to File:

Ensure campaign deadlines are met. Go to www.fppc.ca.gov for campaign disclosure filing schedules.

If the Form 470 is filed in connection with an election, or on or before the filing deadline for the first campaign statement required for the calendar year, no additional campaign statements need to be filed for that calendar year as long as total contributions received remain less than \$2,000 and total expenditures made remain less than \$2,000. In most cases, July 31 is the filing deadline for the first campaign statement required to be filed by officeholders and candidates not being voted upon.

The Form 470 is filed in connection with an election if it is filed with the declaration of candidacy, or as a first preelection statement in connection with an election, covering the year of the election. If, after filing Form 470, receipts or expenditures reach \$2,000 or more, see the attached Form 470 Supplement for important reporting requirements.

Where to File:

Sacramento, CA 95814
Phone (916) 653-6224
Fax (916) 653-5045
www.sos.ca.gov

Additional Copies:

A copy of the Form 470 must also be filed with the candidate's county of domicile's filing officer. CalPERS and CalSTRS board candidates must file a copy of the Form 470 with the relevant CalPERS or CalSTRS office and not the candidate's county of domicile.

Local Elections:

- Elected officers and candidates for local multi-county agencies file an original and one copy with the elections official for the county with the largest number of registered voters in the district and one copy with the candidate's county of domicile.

Introduction

The Political Reform Act (Gov. Code Sections 81000-91014) requires most state and local government officials and employees to publicly disclose their personal assets and income. They also must disqualify themselves from participating in decisions that may affect their personal economic interests. The Fair Political Practices Commission (FPPC) is the state agency responsible for issuing the attached Statement of Economic Interests, Form 700, and for interpreting the law's provisions.

Gift Prohibition

Gifts received by most state and local officials, employees, and candidates are subject to a limit. During 2017 and 2018, the gift limit is \$470 from a single source during a calendar year.

In addition, state officials, state candidates, and certain state employees are subject to a \$10 limit per calendar month on gifts from lobbyists and lobbying firms registered with the Secretary of State. See Reference Pamphlet, page 10.

State and local officials and employees should check with their agency to determine if other restrictions apply.

Disqualification

Public officials are, under certain circumstances, required to disqualify themselves from making, participating in, or attempting to influence governmental decisions that will affect their economic interests. This may include interests they are not required to disclose (i.e., a personal residence is often not reportable, but may be disqualifying). Specific disqualification requirements apply to 87200 filers (e.g., city councilmembers, members of boards of supervisors, planning commissioners, etc.). These officials must publicly identify the economic interest that creates a conflict of interest and leave the room before a discussion or vote takes place at a public meeting. For more information, consult Government Code Section 87105, Regulation 18707, and the Guide to Recognizing Conflicts of Interest at www.fppc.ca.gov.

Honorarium Ban

Most state and local officials, employees, and candidates are prohibited from accepting an honorarium for any speech given, article published, or attendance at a conference, convention, meeting, or like gathering. See Reference Pamphlet, page 10.

Loan Restrictions

Certain state and local officials are subject to restrictions on loans. See Reference Pamphlet, page 14.

Post-Governmental Employment

There are restrictions on representing clients or employers before former agencies. The provisions apply to elected state officials, most state employees, local elected officials, county chief administrative officers, city managers, including the chief administrator of a city, and general managers or chief administrators of local special districts and JPAs. The FPPC website has fact sheets explaining the provisions.

Late Filing

The filing officer who retains originally-signed or electronically filed statements of economic interests may impose on an individual a fine for any statement that is filed late. The fine is \$10 per day up to a maximum of \$100. Late filing penalties may be reduced or waived under certain circumstances.

Persons who fail to timely file their Form 700 may be referred to the FPPC's Enforcement Division (and, in some cases, to the Attorney General or district attorney) for investigation and possible prosecution. In addition to the late filing penalties, a fine of up to \$5,000 per violation may be imposed.

For assistance concerning reporting, prohibitions, and restrictions under the Act:

- Email questions to advice@fppc.ca.gov.
- Call the FPPC toll-free at (866) 275-3772.

Form 700 is a Public Document Public Access Must Be Provided

Statements of Economic Interests are public documents. The filing officer must permit any member of the public to inspect and receive a copy of any statement.

- Statements must be available as soon as possible during the agency's regular business hours, but in any event not later than the second business day after the statement is received. Access to the Form 700 is not subject to the Public Records Act procedures.
- No conditions may be placed on persons seeking access to the forms.
- No information or identification may be required from persons seeking access.
- Reproduction fees of no more than 10 cents per page may be charged.

Types of Form 700 Filings

Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position is reportable.

For positions subject to confirmation by the State Senate or the Commission on Judicial Performance, your assuming office date is the date you were appointed or nominated to the position.

Example:

Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions she holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment is reportable.

Annual Statement:

Generally, the period covered is January 1, 2017, through December 31, 2017. If the period covered by the statement is different than January 1, 2017, through December 31, 2017, (for example, you assumed office between October 1, 2016, and December 31, 2016 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2017.

- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

Leaving Office Statement:

Generally, the period covered is January 1, 2017, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2017, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2016, and December 31, 2016, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2017.

Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at www.fppc.ca.gov.

Instructions Cover Page

Enter your name, mailing address, and daytime telephone number in the spaces provided. **Because the Form 700 is a public document, you may list your business/office address instead of your home address.**

Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court)
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45). **Do not use acronyms.**
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst)
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission), you may be required to file statements with each agency. To simplify your filing obligations, you may complete an expanded statement.
- To do this, enter the name of the other agency(ies) with which you are required to file and your position title(s) in the space provided. **Do not use acronyms.** Attach an additional sheet if necessary. Complete one statement covering the disclosure requirements for all positions. Each copy must contain an original signature. Therefore, before signing the statement, make a copy for each agency. Sign each copy with an original signature and file with each agency.

If you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April 1 annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand his or her annual filing to include both positions.

Example:

Scott Baker is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers Placer and Yuba counties. Scott will complete one Form 700 using full disclosure (as required for the city position) and covering interests in both Placer and Yuba counties (as required for the multi-county position) and list both positions on the Cover Page. Before signing the statement, Scott will make a copy and sign both statements. One statement will be filed with City of Lincoln and the other will be filed with Camp Far West Irrigation District. Both will contain an original signature.

Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 13, to determine their jurisdiction.
- If your agency is a multi-county office, list each county in which your agency has jurisdiction.

- If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the "other" box and enter the county or city in which the agency has jurisdiction.

Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

1. Office, Agency, or Court

Division, Board, Department, District, if applicable N/A	Your Position Board Member

<input checked="" type="checkbox"/> Multi-County Yuba & Sutter Counties	<input type="checkbox"/> County of

Part 3. Type of Statement

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2017 annual statement, **do not** change the pre-printed dates to reflect 2018. Your annual statement is used for reporting the **previous year's** economic interests. Economic interests for your annual filing covering January 1, 2018, through December 31, 2018, will be disclosed on your statement filed in 2019. See Reference Pamphlet, page 4.

Combining Statements: Certain types of statements may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

Part 4. Schedule Summary

- Complete the Schedule Summary after you have reviewed each schedule to determine if you have reportable interests.
- Enter the total number of completed pages including the cover page and either check the box for each schedule you use to disclose interests; **or** if you have nothing to disclose on any schedule, check the "No reportable interests" box. Please **do not** attach any blank schedules.

Part 5. Verification

Complete the verification by signing the statement and entering the date signed. All statements must have an original "wet" signature or be duly authorized by your filing officer to file electronically under Government Code Section 87500.2. Instructions, examples, FAQs, and a reference pamphlet are available to help answer your questions. **When you sign your statement, you are stating, under penalty of perjury, that it is true and correct.** Only the filer has authority to sign the statement. An unsigned statement is not considered filed and you may be subject to late filing penalties.

Questions and Answers

General

- Q. What is the reporting period for disclosing interests on an assuming office statement or a candidate statement?
- A. On an assuming office statement, disclose all reportable investments, interests in real property, and business positions held on the date you assumed office. In addition, you must disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you assumed office.
- On a candidate statement, disclose all reportable investments, interests in real property, and business positions held on the date you file your declaration of candidacy. You must also disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you file your declaration of candidacy.
- Q. I hold two other board positions in addition to my position with the county. Must I file three statements of economic interests?
- A. Yes, three are required. However, you may complete one statement listing the county and the two boards on the Cover Page or an attachment as the agencies for which you will be filing. Report your economic interests using the largest jurisdiction and highest disclosure requirements assigned to you by the three agencies. Make two copies of the entire statement before signing it, sign each copy with an original signature, and distribute one original to the county and to each of the two boards. Remember to complete separate statements for positions that you leave or assume during the year.
- Q. I am a department head who recently began acting as city manager. Should I file as the city manager?
- A. Yes. File an assuming office statement as city manager. Persons serving as "acting," "interim," or "alternate" must file as if they hold the position because they are or may be performing the duties of the position.
- Q. As a designated employee, I left one state agency to work for another state agency. Must I file a leaving office statement?
- A. Yes. You may also need to file an assuming office statement for the new agency.

- Q. My spouse and I are currently separated and in the process of obtaining a divorce. Must I still report my spouse's income, investments, and interests in real property?
- A. Yes. A public official must continue to report a spouse's economic interests until such time as dissolution of marriage proceedings is final. However, if a separate property agreement has been reached prior to that time, your estranged spouse's income may not have to be reported. Contact the FPPC for more information.

Investment Disclosure

- Q. I have an investment interest in shares of stock in a company that does not have an office in my jurisdiction. Must I still disclose my investment interest in this company?
- A. Probably. The definition of "doing business in the jurisdiction" is not limited to whether the business has an office or physical location in your jurisdiction. See Reference Pamphlet, page 13.
- Q. My spouse and I have a living trust. The trust holds rental property in my jurisdiction, our primary residence, and investments in diversified mutual funds. I have full disclosure. How is this trust disclosed?
- A. Disclose the name of the trust, the rental property and its income on Schedule A-2. Your primary residence and investments in diversified mutual funds registered with the SEC are not reportable.
- Q. I am required to report all investments. I have an IRA that contains stocks through an account managed by a brokerage firm. Must I disclose these stocks even though they are held in an IRA and I did not decide which stocks to purchase?
- A. Yes. Disclose on Schedule A-1 or A-2 any stock worth \$2,000 or more in a business entity located in or doing business in your jurisdiction.

Questions and Answers

Continued

Q. I am the sole owner of my business, an S-Corporation. I believe that the nature of the business is such that it cannot be said to have any "fair market value" because it has no assets. I operate the corporation under an agreement with a large insurance company. My contract does not have resale value because of its nature as a personal services contract. Must I report the fair market value for my business on Schedule A-2 of the Form 700?

A. Yes. Even if there are no *tangible* assets, intangible assets, such as relationships with companies and clients are commonly sold to qualified professionals. The "fair market value" is often quantified for other purposes, such as marital dissolutions or estate planning. In addition, the IRS presumes that "personal services corporations" have a fair market value. A professional "book of business" and the associated goodwill that generates income are not without a determinable value. The Form 700 does not require a precise fair market value; it is only necessary to check a box indicating the broad range within which the value falls.

Q. I own stock in IBM and must report this investment on Schedule A-1. I initially purchased this stock in the early 1990s; however, I am constantly buying and selling shares. Must I note these dates in the "Acquired" and "Disposed" fields?

A. No. You must only report dates in the "Acquired" or "Disposed" fields when, during the reporting period, you initially purchase a reportable investment worth \$2,000 or more or when you dispose of the entire investment. You are not required to track the partial trading of an investment.

Q. On last year's filing I reported stock in Encoe valued at \$2,000 - \$10,000. Late last year the value of this stock fell below and remains at less than \$2,000. How should this be reported on this year's statement?

A. You are not required to report an investment if the value was less than \$2,000 during the **entire** reporting period. However, because a disposed date is not required for stocks that fall below \$2,000, you may want to report the stock and note in the "comments" section that the value fell below \$2,000. This would be for informational purposes only; it is not a requirement.

Q. We have a Section 529 account set up to save money for our son's college education. Is this reportable?

A. If the Section 529 account contains reportable interests (e.g., common stock valued at \$2,000 or more), those interests are reportable (not the actual Section 529 account). If the account contains solely mutual funds, then nothing is reported.

Income Disclosure

Q. I reported a business entity on Schedule A-2. Clients of my business are located in several states. Must I report all clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2, Part 3?

A. No, only the clients located in or doing business on a regular basis in your jurisdiction must be disclosed.

Q. I believe I am not required to disclose the names of clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2 because of their right to privacy. Is there an exception for reporting clients' names?

A. Regulation 18740 provides a procedure for requesting an exemption to allow a client's name not to be disclosed if disclosure of the name would violate a legally recognized privilege under California or Federal law. This regulation may be obtained from our website at www.fppc.ca.gov. See Reference Pamphlet, page 14.

Q. I am sole owner of a private law practice that is not reportable based on my limited disclosure category. However, some of the sources of income to my law practice are from reportable sources. Do I have to disclose this income?

A. Yes, even though the law practice is not reportable, reportable sources of income to the law practice of \$10,000 or more must be disclosed. This information would be disclosed on Schedule C with a note in the "comments" section indicating that the business entity is not a reportable investment. The note would be for informational purposes only; it is not a requirement.

Questions and Answers

Continued

Q. I am the sole owner of my business. Where do I disclose my income - on Schedule A-2 or Schedule C?

A. Sources of income to a business in which you have an ownership interest of 10% or greater are disclosed on Schedule A-2. See Reference Pamphlet, page 8, for the definition of "business entity."

Q. My husband is a partner in a four-person firm where all of his business is based on his own billings and collections from various clients. How do I report my community property interest in this business and the income generated in this manner?

A. If your husband's investment in the firm is 10% or greater, disclose 100% of his share of the business on Schedule A-2, Part 1 and 50% of his income on Schedule A-2, Parts 2 and 3. For example, a client of your husband's must be a source of at least \$20,000 during the reporting period before the client's name is reported.

Q. How do I disclose my spouse's or registered domestic partner's salary?

A. Report the name of the employer as a source of income on Schedule C.

Q. I am a doctor. For purposes of reporting \$10,000 sources of income on Schedule A-2, Part 3, are the patients or their insurance carriers considered sources of income?

A. If your patients exercise sufficient control by selecting you instead of other doctors, then your patients, rather than their insurance carriers, are sources of income to you. See Reference Pamphlet, page 14, for additional information.

Q. I received a loan from my grandfather to purchase my home. Is this loan reportable?

A. No. Loans received from family members are not reportable.

Q. Many years ago, I loaned my parents several thousand dollars, which they paid back this year. Do I need to report this loan repayment on my Form 700?

A. No. Payments received on a loan made to a family member are not reportable.

Real Property Disclosure

Q. During this reporting period we switched our principal place of residence into a rental. I have full disclosure and the property is located in my agency's jurisdiction, so it is now reportable. Because I have not reported this property before, do I need to show an "acquired" date?

A. No, you are not required to show an "acquired" date because you previously owned the property. However, you may want to note in the "comments" section that the property was not previously reported because it was used exclusively as your residence. This would be for informational purposes only; it is not a requirement.

Q. I am a city manager, and I own a rental property located in an adjacent city, but one mile from the city limit. Do I need to report this property interest?

A. Yes. You are required to report this property because it is located within 2 miles of the boundaries of the city you manage.

Q. Must I report a home that I own as a personal residence for my daughter?

A. You are not required to disclose a home used as a personal residence for a family member unless you receive income from it, such as rental income.

Q. I am a co-signer on a loan for a rental property owned by a friend. Since I am listed on the deed of trust, do I need to report my friend's property as an interest in real property on my Form 700?

A. No. Simply being a co-signer on a loan for property does not create a reportable interest in real property for you.

Gift Disclosure

Q. If I received a reportable gift of two tickets to a concert valued at \$100 each, but gave the tickets to a friend because I could not attend the concert, do I have any reporting obligations?

A. Yes. Since you accepted the gift and exercised discretion and control of the use of the tickets, you must disclose the gift on Schedule D.

Questions and Answers

Continued

- Q. Mary and Joe Benson, a married couple, want to give a piece of artwork to a county supervisor. Is each spouse considered a separate source for purposes of the gift limit and disclosure?
- A. Yes, each spouse may make a gift valued at the gift limit during a calendar year. For example, during 2017 the gift limit was \$470, so the Bensons may have given the supervisor artwork valued at no more than \$940. The supervisor must identify Joe and Mary Benson as the sources of the gift.
- Q. I am a Form 700 filer with full disclosure. Our agency holds a holiday raffle to raise funds for a local charity. I bought \$10 worth of raffle tickets and won a gift basket valued at \$120. The gift basket was donated by Doug Brewer, a citizen in our city. At the same event, I bought raffle tickets for, and won a quilt valued at \$70. The quilt was donated by a coworker. Are these reportable gifts?
- A. Because the gift basket was donated by an outside source (not an agency employee), you have received a reportable gift valued at \$110 (the value of the basket less the consideration paid). The source of the gift is Doug Brewer and the agency is disclosed as the intermediary. Because the quilt was donated by an employee of your agency, it is not a reportable gift.
- Q. My agency is responsible for disbursing grants. An applicant (501(c)(3) organization) met with agency employees to present its application. At this meeting, the applicant provided food and beverages. Would the food and beverages be considered gifts to the employees? These employees are designated in our agency's conflict of interest code and the applicant is a reportable source of income under the code.
- A. Yes. If the value of the food and beverages consumed by any one filer, plus any other gifts received from the same source during the reporting period total \$50 or more, the food and beverages would be reported using the fair market value and would be subject to the gift limit.
- Q. I received free admission to an educational conference related to my official duties. Part of the conference fees included a round of golf. Is the value of the golf considered informational material?
- A. No. The value of personal benefits, such as golf, attendance at a concert, or sporting event, are gifts subject to reporting and limits.

Instructions – Schedules A-1 and A-2 Investments

"Investment" means a financial interest in any business entity (including a consulting business or other independent contracting business) that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more at any time during the reporting period. See Reference Pamphlet, page 13.

Reportable investments include:

- Stocks, bonds, warrants, and options, including those held in margin or brokerage accounts and managed investment funds (See Reference Pamphlet, page 13.)
- Sole proprietorships
- Your own business or your spouse's or registered domestic partner's business (See Reference Pamphlet, page 8, for the definition of "business entity.")
- Your spouse's or registered domestic partner's investments even if they are legally separate property
- Partnerships (e.g., a law firm or family farm)
- Investments in reportable business entities held in a retirement account (See Reference Pamphlet, page 15.)
- If you, your spouse or registered domestic partner, and dependent children together had a 10% or greater ownership interest in a business entity or trust (including a living trust), you must disclose investments held by the business entity or trust. See Reference Pamphlet, page 15, for more information on disclosing trusts.
- Business trusts

You are not required to disclose:

- Government bonds, diversified mutual funds, certain funds similar to diversified mutual funds (such as exchange traded funds) and investments held in certain retirement accounts. See Reference Pamphlet, page 13, for detailed information. (Regulation 18237)
- Bank accounts, savings accounts, money market accounts and certificates of deposits
- Insurance policies
- Annuities
- Commodities
- Shares in a credit union
- Government bonds (including municipal bonds)
- Retirement accounts invested in non-reportable interests (e.g., insurance policies, mutual funds, or government bonds) (See Reference Pamphlet, page 15.)

- Government defined-benefit pension plans (such as CalPERS and CalSTRS plans)
- Certain interests held in a blind trust (See Reference Pamphlet, page 16.)

Use Schedule A-1 to report ownership of less than 10% (e.g., stock). Schedule C (Income) may also be required if the investment is not a stock or corporate bond. See second example below.

Use Schedule A-2 to report ownership of 10% or greater (e.g., a sole proprietorship).

To Complete Schedule A-1:

Do not attach brokerage or financial statements.

- Disclose the name of the business entity.
- Provide a general description of the business activity of the entity (e.g., pharmaceuticals, computers, automobile manufacturing, or communications).
- Check the box indicating the highest fair market value of your investment during the reporting period. If you are filing a candidate or an assuming office statement, indicate the fair market value on the filing date or the date you took office, respectively.
- Identify the nature of your investment (e.g., stocks, warrants, options, or bonds).
- An acquired or disposed of date is only required if you initially acquired or entirely disposed of the investment interest during the reporting period. The date of a stock dividend reinvestment or partial disposal is not required. Generally, these dates will not apply if you are filing a candidate or an assuming office statement.

Examples:

John Smith holds a state agency position. His conflict of interest code requires full disclosure of investments. John must disclose his stock holdings of \$2,000 or more in any company that is located in or does business in California, as well as those stocks held by his spouse or registered domestic partner and dependent children.

Susan Jones is a city council member. She has a 4% interest, worth \$5,000, in a limited partnership located in the city. Susan must disclose the partnership on Schedule A-1 and income of \$500 or more received from the partnership on Schedule C.

Reminders

- Do you know your agency's jurisdiction?
- Did you hold investments at any time during the period covered by this statement?
- Code filers – your disclosure categories may only require disclosure of specific investments.

Stocks, Bonds, and Other Interests

Instructions – Schedule A-2

Investments, Income, and Assets of Business Entities/Trusts

Use Schedule A-2 to report investments in a business entity (including a consulting business or other independent contracting business) or trust (including a living trust) in which you, your spouse or registered domestic partner, and your dependent children, together or separately, had a 10% or greater interest, totaling \$2,000 or more, during the reporting period and which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction. See Reference Pamphlet, page 13. A trust located outside your agency's jurisdiction is reportable if it holds assets that are located in or doing business in the jurisdiction. Do not report a trust that contains non-reportable interests. For example, a trust containing only your personal residence not used in whole or in part as a business, your savings account, and some municipal bonds, is not reportable.

Also report on Schedule A-2 investments and real property held by that entity or trust if your pro rata share of the investment or real property interest was \$2,000 or more during the reporting period.

To Complete Schedule A-2:

Part 1. Disclose the name and address of the business entity or trust. If you are reporting an interest in a business entity, check "Business Entity" and complete the box as follows:

- Provide a general description of the business activity of the entity.
- Check the box indicating the highest fair market value of your investment during the reporting period.
- If you initially acquired or entirely disposed of this interest during the reporting period, enter the date acquired or disposed.
- Identify the nature of your investment.
- Disclose the job title or business position you held with the entity, if any (i.e., if you were a director, officer, partner, trustee, employee, or held any position of management). A business position held by your spouse is not reportable.

Part 2. Check the box indicating **your pro rata** share of the **gross** income received **by** the business entity or trust. This amount includes your pro rata share of the **gross** income **from** the business entity or trust, as well as your community property interest in your spouse's or registered domestic partner's share. Gross income is the total amount of income before deducting expenses, losses, or taxes.

Part 3. Disclose the name of each source of income that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction, as follows:

- Disclose each source of income and outstanding loan **to the business entity or trust** identified in Part 1 if your pro rata share of the **gross** income (including your community property interest in your spouse's or registered domestic partner's share) to the business entity or trust from that source was \$10,000 or more during the reporting

period. See Reference Pamphlet, page 11, for examples. Income from governmental sources may be reportable if not considered salary. See Regulation 18232. Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.

- Disclose each individual or entity that was a source of commission income of \$10,000 or more during the reporting period through the business entity identified in Part 1. See Reference Pamphlet, page 8, for an explanation of commission income.

You may be required to disclose sources of income located outside your jurisdiction. For example, you may have a client who resides outside your jurisdiction who does business on a regular basis with you. Such a client, if a reportable source of \$10,000 or more, must be disclosed.

Mark "None" if you do not have any reportable \$10,000 sources of income to disclose. Using phrases such as "various clients" or "not disclosing sources pursuant to attorney-client privilege" may trigger a request for an amendment to your statement. See Reference Pamphlet, page 14, for details about requesting an exemption from disclosing privileged information.

Part 4. Report any investments or interests in real property held or leased **by the entity or trust** identified in Part 1 if your pro rata share of the interest held was \$2,000 or more during the reporting period. Attach additional schedules or use FPPC's Form 700 Excel spreadsheet if needed.

- Check the applicable box identifying the interest held as real property or an investment.
- If investment, provide the name and description of the business entity.
- If real property, report the precise location (e.g., an assessor's parcel number or address).
- Check the box indicating the highest fair market value of your interest in the real property or investment during the reporting period. (Report the fair market value of the portion of your residence claimed as a tax deduction if you are utilizing your residence for business purposes.)
- Identify the nature of your interest.
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property or investment during the reporting period.

Instructions – Schedule B Interests in Real Property

Report interests in real property located in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more any time during the reporting period. Real property is also considered to be "within the jurisdiction" of a local government agency if the property or any part of it is located within two miles outside the boundaries of the jurisdiction or within two miles of any land owned or used by the local government agency. See Reference Pamphlet, page 13.

Interests in real property include:

- An ownership interest (including a beneficial ownership interest)
- A deed of trust, easement, or option to acquire property
- A leasehold interest (See Reference Pamphlet, page 14.)
- A mining lease
- An interest in real property held in a retirement account (See Reference Pamphlet, page 15.)
- An interest in real property held by a business entity or trust in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater ownership interest (Report on Schedule A-2.)
- Your spouse's or registered domestic partner's interests in real property that are legally held separately by him or her

You are not required to report:

- A residence, such as a home or vacation cabin, used exclusively as a personal residence (However, a residence in which you rent out a room or for which you claim a business deduction may be reportable. If reportable, report the fair market value of the portion claimed as a tax deduction.)
- Interests in real property held through a blind trust (See Reference Pamphlet, page 16, for exceptions.)

Please note: A non-reportable residence can still be grounds for a conflict of interest and may be disqualifying.

To Complete Schedule B:

- Report the precise location (e.g., an assessor's parcel number or address) of the real property.
- Check the box indicating the fair market value of your interest in the property (regardless of what you owe on the property).
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property during the reporting period.
- Identify the nature of your interest. If it is a leasehold, disclose the number of years remaining on the lease.

Reminders

- Income and loans already reported on Schedule B are not also required to be reported on Schedule C.
- Real property already reported on Schedule A-2, Part 4 is not also required to be reported on Schedule B.
- Code filers – do your disclosure categories require disclosure of real property?

- If you received rental income, check the box indicating the gross amount you received.
- If you had a 10% or greater interest in real property and received rental income, list the name of the source(s) if your pro rata share of the gross income from any single tenant was \$10,000 or more during the reporting period. If you received a total of \$10,000 or more from two or more tenants acting in concert (in most cases, this will apply to married couples), disclose the name of each tenant. Otherwise, mark "None."
- Loans from a private lender that total \$500 or more and are secured by real property may be reportable. **Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.**

When reporting a loan:

- Provide the name and address of the lender.
- Describe the lender's business activity.
- Disclose the interest rate and term of the loan. For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period. The term of a loan is the total number of months or years given for repayment of the loan at the time the loan was established.
- Check the box indicating the highest balance of the loan during the reporting period.
- Identify a guarantor, if applicable.

If you have more than one reportable loan on a single piece of real property, report the additional loan(s) on Schedule C.

Example:

Joe Nelson is a city planning commissioner. Joe received rental income of \$12,000 during the reporting period from a single tenant who rented property Joe owned in the city's jurisdiction. If Joe had received the \$12,000 from two or more tenants, the tenants' names would not be required as long as no single tenant paid \$10,000 or more. A married couple would be considered a single tenant.

Instructions – Schedule C

Income, Loans, & Business Positions

(Income Other Than Gifts and Travel Payments)

Reporting Income:

Report the source and amount of gross income of \$500 or more you received during the reporting period. Gross income is the total amount of income before deducting expenses, losses, or taxes and includes loans other than loans from a commercial lending institution. See Reference Pamphlet, page 11. You must also report the source of income to your spouse or registered domestic partner if your community property share was \$500 or more during the reporting period.

The source and income must be reported only if the source is located in, doing business in, planning to do business in, or has done business during the previous two years in your agency's jurisdiction. See Reference Pamphlet, page 13, for more information about doing business in the jurisdiction. Reportable sources of income may be further limited by your disclosure category located in your agency's conflict of interest code.

Reporting Business Positions:

You must report your job title with each reportable business entity even if you received no income during the reporting period. Use the comments section to indicate that no income was received.

Commonly reportable income and loans include:

- Salary/wages, per diem, and reimbursement for expenses including travel payments provided by your employer
- Community property interest (50%) in your spouse's or registered domestic partner's income - **report the employer's name and all other required information**
- Income from investment interests, such as partnerships, reported on Schedule A-1
- Commission income not required to be reported on Schedule A-2 (See Reference Pamphlet, page 8.)
- Gross income from any sale, including the sale of a house or car (Report your pro rata share of the total sale price.)
- Rental income not required to be reported on Schedule B
- Prizes or awards not disclosed as gifts
- Payments received on loans you made to others
- An honorarium received prior to becoming a public official (See Reference Pamphlet, page 10, concerning your ability to receive future honoraria.)
- Incentive compensation (See Reference Pamphlet, page 12.)

Reminders

- Code filers – your disclosure categories may not require disclosure of all sources of income.
- If you or your spouse or registered domestic partner are self-employed, report the business entity on Schedule A-2.
- Do not disclose on Schedule C income, loans, or business positions already reported on Schedules A-2 or B.

You are not required to report:

- Salary, reimbursement for expenses or per diem, or social security, disability, or other similar benefit payments received by you or your spouse or registered domestic partner from a federal, state, or local government agency.
- Stock dividends and income from the sale of stock unless the source can be identified.
- Income from a PERS retirement account.

See Reference Pamphlet, page 11, for more exceptions to income reporting.

To Complete Schedule C:

Part 1. Income Received/Business Position Disclosure

- Disclose the name and address of each source of income or each business entity with which you held a business position.
- Provide a general description of the business activity if the source is a business entity.
- Check the box indicating the amount of gross income received.
- Identify the consideration for which the income was received.
- For income from commission sales, check the box indicating the gross income received and list the name of each source of commission income of \$10,000 or more. See Reference Pamphlet, page 8. **Note: If you receive commission income on a regular basis or have an ownership interest of 10% or more, you must disclose the business entity and the income on Schedule A-2.**
- Disclose the job title or business position, if any, that you held with the business entity, even if you did not receive income during the reporting period.

Part 2. Loans Received or Outstanding During the Reporting Period

- Provide the name and address of the lender.
- Provide a general description of the business activity if the lender is a business entity.
- Check the box indicating the highest balance of the loan during the reporting period.
- Disclose the interest rate and the term of the loan.
 - For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period.
 - The term of the loan is the total number of months or years given for repayment of the loan at the time the loan was entered into.
- Identify the security, if any, for the loan.

Instructions – Schedule D

Income – Gifts

A gift is anything of value for which you have not provided equal or greater consideration to the donor. A gift is reportable if its fair market value is \$50 or more. In addition, multiple gifts totaling \$50 or more received during the reporting period from a single source must be reported.

It is the acceptance of a gift, not the ultimate use to which it is put, that imposes your reporting obligation. Except as noted below, you must report a gift even if you never used it or if you gave it away to another person.

If the exact amount of a gift is unknown, you must make a good faith estimate of the item's fair market value. Listing the value of a gift as "over \$50" or "value unknown" is not adequate disclosure. In addition, if you received a gift through an intermediary, you must disclose the name, address, and business activity of both the donor and the intermediary. You may indicate an intermediary either in the "source" field after the name or in the "comments" section at the bottom of Schedule D.

Commonly reportable gifts include:

- Tickets/passes to sporting or entertainment events
- Tickets/passes to amusement parks
- Parking passes not used for official agency business
- Food, beverages, and accommodations, including those provided in direct connection with your attendance at a convention, conference, meeting, social event, meal, or like gathering
- Rebates/discounts not made in the regular course of business to members of the public without regard to official status
- Wedding gifts (See Reference Pamphlet, page 16)
- An honorarium received prior to assuming office (You may report an honorarium as income on Schedule C, rather than as a gift on Schedule D, if you provided services of equal or greater value than the payment received. See Reference Pamphlet, page 10, regarding your ability to receive future honoraria.)
- Transportation and lodging (See Schedule E.)
- Forgiveness of a loan received by you

You are not required to disclose:

- Gifts that were not used and that, within 30 days after receipt, were returned to the donor or delivered to a charitable organization or government agency without

being claimed by you as a charitable contribution for tax purposes

- Gifts from your spouse or registered domestic partner, child, parent, grandparent, grandchild, brother, sister, and certain other family members (See Regulation 18942 for a complete list.). The exception does not apply if the donor was acting as an agent or intermediary for a reportable source who was the true donor.
- Gifts of similar value exchanged between you and an individual, other than a lobbyist registered to lobby your state agency, on holidays, birthdays, or similar occasions
- Gifts of informational material provided to assist you in the performance of your official duties (e.g., books, pamphlets, reports, calendars, periodicals, or educational seminars)
- A monetary bequest or inheritance (However, inherited investments or real property may be reportable on other schedules.)
- Personalized plaques or trophies with an individual value of less than \$250
- Campaign contributions
- Up to two tickets, for your own use, to attend a fundraiser for a campaign committee or candidate, or to a fundraiser for an organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. The ticket must be received from the organization or committee holding the fundraiser.
- Gifts given to members of your immediate family if the source has an established relationship with the family member and there is no evidence to suggest the donor had a purpose to influence you. (See Regulation 18943.)
- Free admission, food, and nominal items (such as a pen, pencil, mouse pad, note pad or similar item) available to all attendees, at the event at which the official makes a speech (as defined in Regulation 18950(b)(2)), so long as the admission is provided by the person who organizes the event.
- Any other payment not identified above, that would otherwise meet the definition of gift, where the payment is made by an individual who is not a lobbyist registered to lobby the official's state agency, where it is clear that the gift was made because of an existing personal or business relationship unrelated to the official's position and there is no evidence whatsoever at the time the gift is made to suggest the donor had a purpose to influence you.

To Complete Schedule D:

- Disclose the full name (not an acronym), address, and, if a business entity, the business activity of the source.
- Provide the date (month, day, and year) of receipt, and disclose the fair market value and description of the gift.

Reminders

- Gifts from a single source are subject to a \$470 limit during 2017. See Reference Pamphlet, page 10.
- Code filers – you only need to report gifts from reportable sources.

Gift Tracking Mobile Application

- FPPC has created a gift tracking app for mobile devices that helps filers track gifts and provides a quick and easy way to upload the information to the Form 700. Visit FPPC's website to download the app.

Instructions – Schedule E Travel Payments, Advances, and Reimbursements

Travel payments reportable on Schedule E include advances and reimbursements for travel and related expenses, including lodging and meals.

Gifts of travel may be subject to the gift limit. In addition, certain travel payments are reportable gifts, but are not subject to the gift limit. To avoid possible misinterpretation or the perception that you have received a gift in excess of the gift limit, you may wish to provide a specific description of the purpose of your travel. See the FPPC fact sheet entitled "Limitations and Restrictions on Gifts, Honoraria, Travel, and Loans" at www.fppc.ca.gov.

You are not required to disclose:

- Travel payments received from any state, local, or federal government agency for which you provided services equal or greater in value than the payments received, such as reimbursement for travel on agency business from your government agency employer.
- A payment for travel from another local, state, or federal government agency and related per diem expenses when the travel is for education, training or other inter-agency programs or purposes.
- Travel payments received from your employer in the normal course of your employment that are included in the income reported on Schedule C.
- A travel payment that was received from a non-profit entity exempt from taxation under Internal Revenue Code Section 501(c)(3) for which you provided equal or greater consideration, such as reimbursement for travel on business for a 501(c)(3) organization for which you are a board member.

Note: Certain travel payments may not be reportable if reported on Form 801 by your agency.

To Complete Schedule E:

- Disclose the full name (not an acronym) and address of the source of the travel payment.
- Identify the business activity if the source is a business entity.
- Check the box to identify the payment as a gift or income, report the amount, and disclose the date(s).
 - **Travel payments are gifts** if you did not provide services that were equal to or greater in value than the payments received. You must disclose gifts totaling \$50 or more from a single source during the period covered by the statement.

When reporting travel payments that are gifts, you must provide a description of the gift, the **date(s)** received, and the **travel destination**.

- **Travel payments are income** if you provided services that were equal to or greater in value than the payments received. You must disclose income totaling \$500 or more from a single source during the period covered by the statement. You have the burden of proving the payments are income rather than gifts. When reporting travel payments as income, you must describe the services you provided in exchange for the payment. You are not required to disclose the date(s) for travel payments that are income.

Example:

City council member Rick Chandler is the chairman of a 501 (c)(6) trade association and the association pays for Rick's travel to attend its meetings. Because Rick is deemed to be providing equal or greater consideration for the travel payment by virtue of serving on the board, this payment may be reported as income. Payments for Rick to attend other events for which he is not providing services are likely considered gifts.
